

Coral Manta 3000 – Rental Agreement Form

Thank you for renting the Coral Manta 3000 – The first and only AI based Drowning Detection systems for Residential Swimming Pools

Renting Coral Manta 3000 subject to the following terms and conditions:

- Upon receiving the Coral, please let us know immediately if there are any missing parts, damages, or defects – otherwise you may be held responsibly
- At the end of the rental period you will need to use the enclosed “Shipping Label” to return the system
- The system must be returned in the original box
- All the parts must be included (pool unit, home unit, charge cable, docking base, batter) and in the same conditions they were received
- Missing or damaged parts may be subject to repair / replacement fee

Rental Period

At the end of the rental period you have three options

1. Extend the rental period for the next season. See terms and costs online>
If you opt to extend your rental, you are required to go online and purchase the next season
2. Purchase the Coral system – all rental fees paid will be deducted from the retail Coral price
3. Return the Coral System. It is your responsibility to ship system to Coral facility no later than the 2 days after the end of the rental period

Failure to return the Coral system at the end of the rental period will be subject to daily or monthly fee

- Up to 3 days – No cost
- 4 – 7 days – \$19.99 per day
- over 7 days – a full month cost at \$279

In order to complete your order please complete the order and payment information below

In order to complete your order please complete the order and payment information below
